Where Were YOU Found on Those Warm Days?

This years annual is being dedicated to the one and only Judy Park. Not only the year book staff, but many students want to thank-you for going out of your way in making '78-79 an easier year. Without the concern and care that you have shown each of us we could have never made it. Your time and devotion is most appreciated by all. You not only helped push us along, but you made each one of us enjoy life a little more. Thanks for everything you have done for the school and with the students, and a special thanks for your kind smile.

Through many problems and disagreements the DCCC S.G.A. pulled through. The S.G.A. not only budgeted many organizations, but also paid for three dances and Spring Fever Week. Your S.G.A. members spent countless hours devoting their time and knowledge in order that the '78-79' students would have a year of activities to remember.

Through controversy and limited players throughout the season the DCCC Men's Basketball Squad stayed together and always seemed to get "up" for the games. Although the team didn't accomplish its goal, they gave it all they had. Please come out and support the guys next year because they are young and will be back next season after the championship!

This year's team was full of enthusiasm and dedication. The girls participated in Division Three of the NCAIAW. Which included all four year schools. The girls gained valuable experience even though their won-lost record didn't show it. The team will have six returning players full of devotion. Next year looks like a bright year for the woman's basketball program.

The Drama Club of '78-79' stayed alive throughout the year, not only by the long hours of rehearsals, but also through appearances on t.v. and radio stations. The club and class joined together and performed six plays. During all the late night and week-end rehearsals we all discovered the closeness between us. We soon realized we were no longer a club but a family.

THE NIGHTINGALES SOCIETY

Our nursing program is an extremely difficult one. Each nurse spends many hours preparing and learning how to help those in need. We are proud of nurses and glad they still find time to joke around, which is easily expressed in these pictures.

I tend to fall and stumble
I seem to lose my way
I tried to hide it from you
I don't know what to say

My heart is in a good place
I'll never do you wrong
My arm it wants to reach out
My hand is there and strong

So try to understand me
And know just what I mean
If you ever need someone
My shoulder you can lean

But if you can't understand me
and feel I'm hiding from you
Just know I'm afraid of opening up
Although I want and need to

With you I want to open up
With you I want to share
But to put all my problems on you
It seems so unfair

I know at times I don't make sense
And I need to practice my preach
Just know you want be without a friend
You'll always have me in reach.

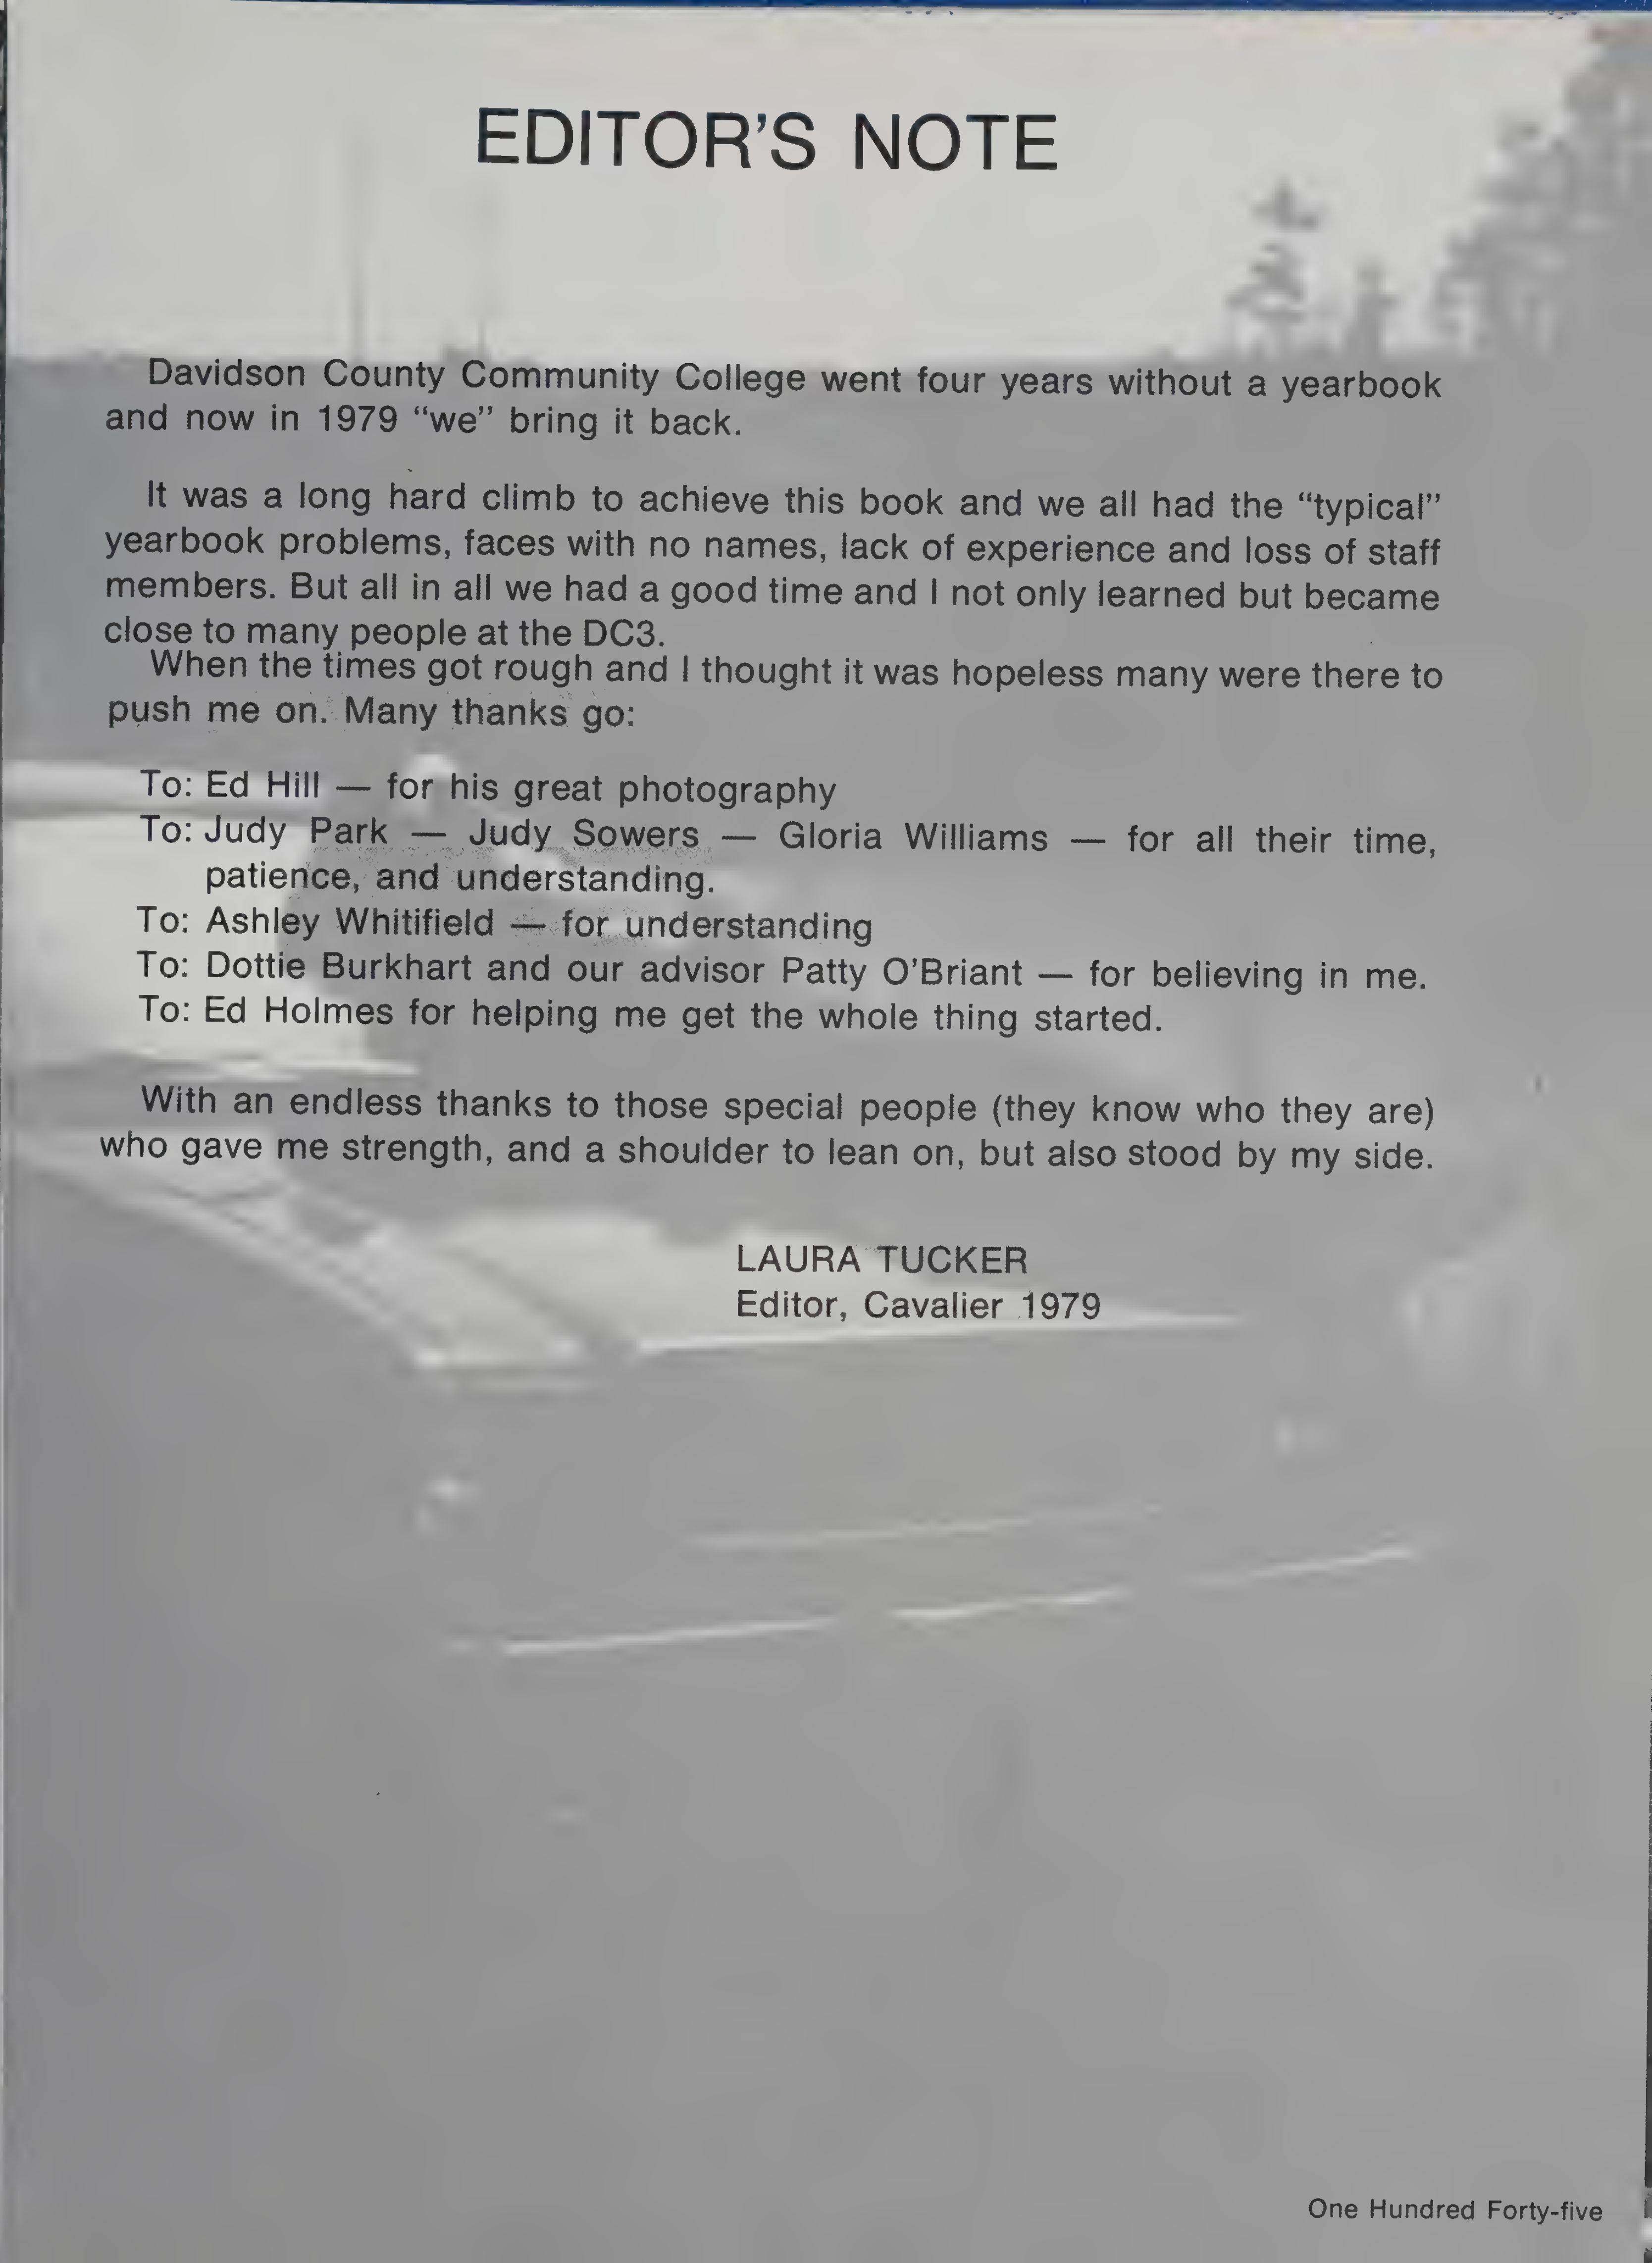
EDITOR'S NOTE



Davidson County Community College went four years without a yearbook and now in 1979 "we" bring it back.

It was a long hard climb to achieve this book and we all had the "typical" yearbook problems, faces with no names, lack of experience and loss of staff members. But all in all we had a good time and I not only learned but became close to many people at the DC3.

When the times got rough and I thought it was hopeless many were there to push me on. Many thanks go:

To: Ed Hill — for his great photography
To: Judy Park — Judy Sowers — Gloria Williams — for all their time, patience, and understanding.
To: Ashley Whitifield — for understanding
To: Dottie Burkhart and our advisor Patty O'Briant — for believing in me.
To: Ed Holmes for helping me get the whole thing started.

With an endless thanks to those special people (they know who they are) who gave me strength, and a shoulder to lean on, but also stood by my side.

To: Betsy Cook

As long as you love me, as long as you
care
I'd do anything for you, I'll go anywhere;
I'll bring you the sunshine to comfort
your tears,
I'll gather up rainbows to chase away
all of your fears;
As long as forever, My love will be true,
For as long as you love me, I'll love
only you.

Love,
Sherman
